For decades, EIPRO has been creating a wide range of high-quality foods made from eggs. An extremely sensitive and valuable natural product. Our range includes liquid egg products, fresh batters, cooked meal components, pasteurised eggs in shell and lifestyle products with a high level of convenience. Our varied product range includes plant-based egg products, which offers our customers an additional and attractive way to please their guests. Our name stands for high quality and guaranteed results, today and in the future! We like to think outside the box. To break new ground when developing innovative new products. With lots of competence and creativity, we are developing our product range, naturally with our customers' needs in mind.

We ensure that organic food becomes a piece of cake for everyone! We want to be your go-to when it comes to food that's as good for you as it is for the planet. We also ensure that you always know what you have in the pan with us. We are working towards 100% vegan and plastic free. And this is how we help you with your vegan journey. We have come a long way to introducing everyone in Europe to organic food, from small-scale makers who have a monopoly on the wisdom. Makers from all over the world!
